Universal Early Years Entitlement (EYE)

The Government provides 570 hours of early education per year for all 3 and 4-year-old children the term after their 3rd birthday. Funding is split equally into the traditional 3 academic terms September-December, January-March, April-August which cannot be carried forward. At First Steps we offer parents the option to stretch the 15 hours a week for 38 weeks to 51 weeks all year round which is rounded to 11 hours a week, this cannot be changed mid-term. We will claim this Universal funding on your behalf.

Extended Funding

Some families with 3 and 4-year-old children can apply for an additional 15 hours per week extending their entitlement to a maximum of 1140 hours. You must apply for this; it is not automatic which can be done via <https://www.gov.uk/30-hours-free-childcare>

Working Family Early Years Entitlement Funding for 9 months plus

Working parents of 9 month olds will be able to access 15 hours of Early Years Entitlement (38 weeks a year) from the term after their child reaches the age of 9 months. This can be stretched over 51 weeks all year round which is rounded to 11 hours a week, this cannot be changed mid-term. Parents have to apply for this here <https://www.gov.uk/apply-free-childcare-if-youre-working>

Early Years Pupil Premium (EYPP) and Deprivation Supplement

This means that for children from low-income families accessing the Universal Early Education Entitlement (EYE) or Working Family funding providers are entitled to receive additional funding of up to £980 per year. We will work in partnership with you to carefully consider the learning and development needs of your child.
