

Help needed please....

Do you speak any of the languages below?

We need some one who could pop to our Twerton Community nursery for a couple of hours a term to....

- Help us include key words in children's home language into the children's play
- Translate the information for parents so that they are clear on how children's language is being supported in their nursery.

Do let us know if you could spare a few hours. A criminal record check will be needed but we will ensure that this is in place for volunteers.

We look forward to hearing from you.

If you are interested please email us on info@firststepsbath.org.uk for an application form
